## Top-Mount Sink Installation Instructions

www.HigoldHardware.com.au  
Email: service@higoldhardware.com.au

Follow these instructions if you are **top-mounting** your HIGOLD sink into a bench.  
NOTE - All HIGOLD top-mount sink installations use these instructions. Therefore, images may differ from your sink model. Ensure your sink is in perfect condition before installation.

Installation Components	
Description	Quantity
A Stainless steel sink	1
B Box of installation anchor clips	1
C Foam adhesive strip	1

### Step 1 - Prepare benchtop

A template is provided or you can create one

Measure sink exterior from edge to edge in mm

Cut hole in benchtop

### Step 2 - Insert Sink

Affix foam strip (optional)

Insert sink in the bench hole

### Step 3 - Affix sink

Hook the anchor clips onto the sink's anchor points

Tighten the clips using a philips head screwdriver in the order as shown in the supplied template

## Under-Mount Sink Installation Instructions

www.HigoldHardware.com.au  
Email: service@higoldhardware.com.au

Follow these instructions if you are **under-mounting** your HIGOLD sink into a bench.  
NOTE - All HIGOLD under-mount sink installations use these instructions. Therefore, images may differ from your sink model. Ensure your sink is in perfect condition before installation.

Installation Components	
Description	Quantity
A Stainless steel sink	1
B Box of hole plugs, anchor clips and bolts	1

### Step 1 - Prepare benchtop

A template is provided or you can create one

Measure sink bowl interior in mm

Cut hole in benchtop as shown above. Match bench hole corner style to the sink, i.e. round corners for cornered sink

### Step 2 - Prepare mounting holes

Look underneath bench hole. Measure and mark the mounting hole positions in the bench (refer to the supplied template)

Drill Ø10mm holes 15mm deep underneath bench as per supplied template

Insert supplied plastic plugs into drilled mounting holes

### Step 3 - Affix sink under bench

Position sink under bench in line with the hole

It is recommended that a suitable glass adhesive is applied when sink is positioned

Affix the sink firmly by fastening the clips and bolts into the mounting holes.  
**(Important:** Refer to the supplied template for the order of affixing the clips)

Email: service@higoldhardware.com.au

### Installing the Strainer

Your strainer should be installed by a licensed plumber. Use the screw to tighten the main body (from underneath the sink) and the stainless steel strainer (from above the sink) into place. Sealants are not required. Install the basket on top of the strainer.

Stainless steel basket  
Removable for cleaning and general use  
Fixing screw

Stainless steel strainer  
Insert in rubber seal

Rubber seal  
Insert this into sink hole

Rubber gasket  
Inserts in main drain body

Main drain body  
Installed underneath sink hole  
Plumber connects into plumbed drain

### Care Instructions

HIGOLD stainless steel sinks are made from premium quality 304 stainless steel and applied with patented advanced coating to increase durability and resistance to high temperature and scratching.

#### Cleaning

- Clean the sink regularly with soapy warm water. Always rinse the sink after using cleaning products.
- Avoid solvents, alcohol, bleaching or acidic products, harsh chemicals and abrasives.
- Wipe the surface of the sink with a gentle cloth to remove liquid residue.
- Regularly clean the drain to prevent clogs and odors.

#### Care

- Do not cut food directly on the surface.
- Some foods after prolonged periods can damage the surface: e.g. foods and juices that contain acid or vinegar

### Limited Lifetime Warranty

HIGOLD is a brand authorized to Vanguard Design Group Pty Ltd (ABN 48 104 411 314). It offers a limited Lifetime warranty on all its stainless steel sinks, guaranteeing that they are free from material and manufacturing defects.

HIGOLD will repair or provide a replacement, may be free of charge depending on its discretion, for any HIGOLD composite sink that presents defects under normal domestic residential use. Associated accessories and strainers have a standard 12 month warranty.

This warranty is valid for the original purchaser only, as long as the product has been handled with care, installed and maintained as per the instructions given. To make a claim, a report must be sent to HIGOLD within 10 business days upon discovering the defect. This warranty will be voided if the product is used in a commercial setting or for a purpose in which it is not designed for.

Normal wear and tear, damage, incorrect installation, misuse, or modification will not be covered under this warranty. Scratches, stains, and damages are consequences of use and not defects covered by this warranty.

This is a summary of the full warranty terms and limitations and claim processes at [www.HigoldHardware.com.au/warranty-terms/](http://www.HigoldHardware.com.au/warranty-terms/).
