### PRODUCT DESCRIPTION

This 150" Motorised Projector Screen with Remote Control will provide you with the ultimate movie viewing experience. The silent motor enables you to drop down your screen at the touch of the button and neatly retract it back up when your movie is finished. The solid casing and weighty frame ensure that your screen stays flat against the wall and images are not disturbed with movement. Compatible with standard 4:3 or widescreen 16:9 aspect ratios.

### FEATURES

- HIGH DEFINITION - Full 1080 HD on-screen that's designed for standard 4:3 aspect ratio or 16:9 widescreen, perfectly suitable for your living room, in a classroom, or in an office environment
- SMOOTH CONTROL- Silent motor drops down your screen with wireless remote (included upon purchase) and neatly retracts back up
- FUNCTIONAL - Stays flat against the wall due to solid casing and weighty frame, so images do not warp
- PRECISE - Guarantees precision visuals on matte-white fabric, while black velvet border absorbs visual noise
- LIGHTWEIGHT - Comes with a stylish, slim and lightweight casing
