\*Plastic channel  
not included

\*plastic channel not included

### PRODUCT DESCRIPTION

These custom made Wedge Wire Outdoor Grate Inserts are manufactured by DrainTEK, at any length to suit your specific needs. This INSERT ONLY does not include tray/channel, and simply fits into your existing tray/channel.

The quoted price is made up of:

- The base manufacturing charge of **\$29.95**.
- A charge of **\$0.30 or \$0.35** for each mm of length (Select the width and then enter the length where prompted below).

### FEATURES

- NO PLASTIC - Made from full 316L (low carbon) marine-grade stainless steel
- FULL CUSTOMISATION - Custom-made in Australia to any length up to 3m in length
- SUITS RELN DRAINS - Designed to fit in existing ReIn drain channel
- FULLY WELDED - High load-bearing wedge wire insert (3mm wedge wires and 3mm gaps), with support bars every 25mm for superior strength
- LIFETIME WARRANTY - Against manufacturing defects for peace of mind and quality assurance
