

HOWLITE Hybrid Floorboards - 1.92 SQM per box - Waterproof Plank 1520mm x 180mm x 6mm

Brand: MOKU • Product SKU: AST-HFB-K538 • RRP: \$39.95 per SQM

PRODUCT DESCRIPTION

Hybrid Floorboards are 100% waterproof, modern planks that suit all living spaces and an economical alternative to timber flooring. Unlike some floorboard installation methods, the angle-to-angle click system of hybrid flooring leaves no unwanted gaps between planks once installed.

Inspired by the beauty of natural wood, **HOWLITE** instantly makes any room brighter and more spacious with its light walnut colour.

Package - 7 boards per carton (1.9152 SQM per carton)

Dimensions - Full boards are 1520mm x 180mm x 6mm

Per SQM - Starts at **\$39.95** for 120 SQM and up

Select your SQM in the options to see total price.

FEATURES

- **WOOD APPEARANCE** - Replicates the modern and beautiful aesthetics of natural timber flooring with its high print quality of grain texture and patterns
- **HIGHLY DURABLE** - Built with a protective wear layer, rigid limestone core, and cork backing for superior durability and stability
- **WATERPROOF** - Suits an entire home installation so you can achieve a seamless flooring, including kitchens, bathrooms or laundry rooms (refer to installation guide on wet areas)
- **SAFE** - Easy-to-clean and has low VOC (volatile organic compounds) composition that makes the floorboards asthma- and allergy-friendly
- **EASY INSTALLATION** - Faster to install than glued-down floors with the click-system installation, leaving no unwanted gaps or spaces between floorboards over time; directly on subfloor and over hydronic heated slabs (must not exceed 26°C at any time)
